It's been inspiring when I needed to just
hear the word & be inspired to praise God.

It has been absolutely invaluable to my
mother who has been confined to home and other
elderly people I know. As for my mother, our
church is broadcast on this station and it
has been an avenue by which she could be a
part of what has taken place and be aware
of all that's happening. I appreciate being able

(Describe in your own words, how watching channel 63 has affected

blessing to me and my household. The inspirational
singing, teaching and preaching have provided uplift
and encouragement in times of despondency and
despair. There is always something wholesome and
uplifting in watching TBN - which is committed
to preaching the Gospel of Jesus Christ without compromise.
The entire viewership is blessed and especially the
community. It's my prayer that the station continue

just what Jesus came.

experience that has helped me deal with my problems.

(Describe in your own words, how watching channel 63 has affected
your life.) Channel 63 has offered me opportunities
to share in the ministries of many different
assemblies and meetings of the Holy Spirit through
television that I would not have had otherwise.
This is especially true since I can always go
to conferences or just special meetings in other
cities. Furthermore, there have been times when
I needed to hear a word of encouragement or
truth and could not contact a pastor or attend
a church. Channel 63 has provided a vehicle
or avenue to hear from God during these times
or other times of crisis. There have also been
times when I could share in ministries with family
who is long distance through Channel 63.

What I have described is true. I give this testimony under penalty
of perjury of laws of the state of Georgia, and I understand that this
completed form will be submitted to the Federal Communications Commis-
sion in connection with WHSG-TV's renewal application.
